Hi Steve,

Phyllis's message threw me a bit. Is she asking that so long as that c language gets in with what we already have that EPA will be happy? If that is her question, the answer is yes. If I'm misunderstanding the question somehow could you please clarify.

Thanks.

Elizabeth

Hi Elizabeth - Please give Steve an indication if you have not already

done so of whether this last addition will suffice if it is approved so

that we can all consider this accomplished. Thank you. -Phyllis

Hi, Elizabeth. I don't have item c language. Would you please forward

it as soon as you can? I must run it by Phyllis, our DAG.

I've already noticed the BDA group that we had agreement and asked

them
to set up the signing. If I can get the change to them quickly,
perhaps
the revision is no big deal. Thanks for your help.

Hi Steve.
I left a voicemail for you, but I'm guessing maybe you didn't
receive
it? It said that I spoke with Pat and she really believes that we
need
item c in paragraph 23. I have that language and I can send it to
you
but it is not currently in the version you sent out below. Please
give
me a call if this is a problem.
Thanks.

MOU

NJ DEP & US EPA have agreed on MOU language that defines the EPA role

in

the BDA. It is paragraph 23 of the attached copy.

Joel, this is the final text copy, ready to go. Would you please coordinate the Steering Committee signing and Initial Meeting? I'll help with DEP & EPA ccoordination. Please contact me with questions. Thank you.

Let's roll! (finally)
